This is to certify that Ms Liana Linvik (born 3.9.1994) has worked as Trainee in Business Finland from 1.6.2021 to 31.12.2021.

The most important duties of Ms Linvik consisted of:

- planning and developing digital interface between customers and Business Finland
- enhancing digital user experience both in design and development point of view
- participating in Business Finland's workshops dealing with customer paths, digital touchpoints, web pages; sharing UX and design perspectives and knowledge

Liana Linvik has carried out her duties skilfully and responsibly. She is also cooperative and good team worker. She showed initiative and good UX and design skills with great attitude and commitment to her work. I can recommend her for similar positions.
